

# UFOs & Real Science:

Is There Credible Evidence for Extraterrestrial Life?

**BANNED** at ASU, NAU and in the mainstream press - find out...**WHY!**

Learn about the Billy Meier contacts, ongoing in Switzerland for over 72 years. Science not superstition, for critical thinkers, scientists and skeptics alike. Learn about the:

- NASA aerospace engineer who endorses Meier UFO case authenticity
- Scientific experts who authenticated Meier's UFO photos and films
- Volumes of prophetically accurate *scientific* information
- Defeat of all challenges from top international skeptics

...and *suppression* of the evidence by media, secret services and universities!

Be prepared to question, challenge, be challenged and...decide the truth for yourself.

Presented by Michael Horn, award-winning filmmaker and international lecturer, over 35 years of research. Once you know...what will you do about it?

Presentation, Q&A and...**FREE**, information and evidence-rich CD to **first 10 people!**
